Computer Based Training Compact Disk (CBT CD) Set

NBC OAG Decision Brief

CBT CD Capability

- 44 CDs pertaining to everything from training, equipment employment, maintenance, operations, exercises, etc.
- Include the Army, Joint, DOE, NIMA, etc. information CDs.

CBT CDs Description

- See handout
  - (12) CBT.Catalogue. forKurdtCarruthers.doc

Current Capabilities Shortfall

- CBT CD were previously issued to MEF only.
- Copies may be made by MEF. This is not being conducted.
- Information superiority is the key to success.

MCCDC Recommendation

- MarCorSysCom (MCSC) to provide 1 entire set to every NBC Unit (Bn & Higher) and provide updates as required.
- MCSC will ship to Units TAC 1 address through the DoDAAD (Department of Defense Activity Address Code Directory)
